## Eleven Pay Fines for Offenses During June; Vandals Pay \$25 Costs

Arrests and convictions in police magistrate's court for the month of June were announced by Police Chief Walter I. Scott as follows: Richard Moran and Raymond Wehrs, rural Antioch, \$25 and costs each for vandalism. The two were guilty of peppering windows of business places with small shot. Fred Lee Butler, \$7 and costs for speeding.

Bob Barnasack, traffic offense. Richard Manhart, \$15, speeding. Robert Terry, \$23, traffic violation.

William Barnstable and Philip Burgdorf, disorderly conduct, \$15 each, with Barnstable paying an additional \$10 on another charge of traffic violation.

Philip Burgdorf, \$25 and costs for striking another unattended vehicle. Milton Kirchmeyer, traffic violation, \$15, and Quentin Belke, \$10, traffic offense.

## New Pool Improvements Include Wading Pool And Dressing Booths

The opening of a wading pool for small fry, the addition of three changing booths in the women's section, and the construction of a sidewalk for spectators have highlighted improvements during the second week at the new Lions Club swimming pool.

The wading pool, which opened on Tuesday, has a size of 12 by 24 feet and a depth of approximately 12 inches. A guard will be on duty at all times at the wading pool, which is open only during the afternoon.

Three changing booths were added to the women's dressing room on Monday to give more privacy to the women while changing clothes. On Wednesday a 12 by 75 foot cement sidewalk for spectators was poured along the west side of the pool. A section of the high school bleachers will be set up behind the sidewalk in this area soon.

Other changes this week include the addition of a telephone (1162) and a change in hours. The pool is now open from 1:30 p. m. to 5:30 and from 6:30 to 9. On nights when the weather is good and the crowd is large, the pool may remain open until 9:30. Last week the pool hours were from 2 p. m. to 5:30 and from 7:30 to 10. On Sundays and holidays the pool opens at 12:30.

Painting of the pool buildings was also completed this week, and the two barbecue pits in the Williams Park area were made usable for picnics.

The Red Cross Training Program to qualify the pool's life guards and other interested people in the community as swimming instructor aids will begin at 9 a. m. Monday, July 16, with a Red Cross Water safety instructor in charge.

## Legion Juniors to Play Last Games Next Week

Antioch's Junior Legion team dropped two more games this past week, losing to Gurnee, a team it has beaten twice before, by the score of 4 to 7, and forfeiting to Zion because not enough players showed up.

The locals are scheduled to play Grayslake today; Gurnee again on Monday, and end the season against Zion here July 19.

A salad bar luncheon and card party will be sponsored by the W. S. C. S. of the Lake Villa Community church July 25 at 12:30 at the school gym.

## More Than 8,000 Persons See Fireworks Display; Hear Concert in Postponed July 4th Program

Between 8,000 and 10,000 persons saw the fireworks display provided by the Antioch Fire department and business men at Sequoit Acres in the east edge of the village Sunday night.

The exhibition was an Independence Day program that necessarily was postponed because of rain last Wednesday, July 4.

An estimated 1,500 automobiles were parked in the 32 rows of space arranged by the firemen. Many additional ones line Rte. 173 and village streets. Hundreds walked to the grounds.

"We easily had 8,000," commented Fire Chief Edgar Simonsen in sizing up the crowd.

Secretary Clarence Shultis said there were 32 rows of parked cars with 50 in a row.

The fireworks display was pre-

### Spray to Begin Tonight

Mosquitoes and other insects will bite the dust tonight when the Clark Spray Company of Riverside, Ill., will begin the job of spraying the entire village. The company will start at Orchard and Broadway, where the American Legion-K. C. carnival is staged in order that visitors to the carnival may receive the first benefit.

## Sunday Is Republican Day In Antioch; Ben Adamowski To Speak

Republican officials of Lake county are looking forward to Sunday, July 15 as the "kickoff" day for a heavy summer schedule of political rallies and outings. The Men's Republican Club of Antioch-Lake Villa is sponsor for the initial gathering when they offer their first annual Republican Day as a part of the two day carnival being sponsored in Antioch on Saturday and Sunday by the American Legion and Knights of Columbus of that city. Proclaimed officially as Republican Day, by Antioch Mayor Jim McMillen, the program will start at 3 p. m. on Sunday with free rides, favors and refreshments for all children accompanied by their parents.

Named as co-chairmen of the event, by Austin Norling of Lake Villa, R. G. "Bud" Holtz and Charles Larson announced this week that plans have been completed for the day, and that local candidates would be introduced starting at 4 p. m. with the feature address of the afternoon being given by Benjamin S. Adamowski, Republican candidate for State Attorney of Cook county. In commenting on Adamowski as speaker for the afternoon, Robert J. Milton, Republican county chairman, said that he felt "that Ben Adamowski, who for a decade has spearheaded the fight against machine rule in Cook county, would offer a message that is timely and sincere in the cause of good government."

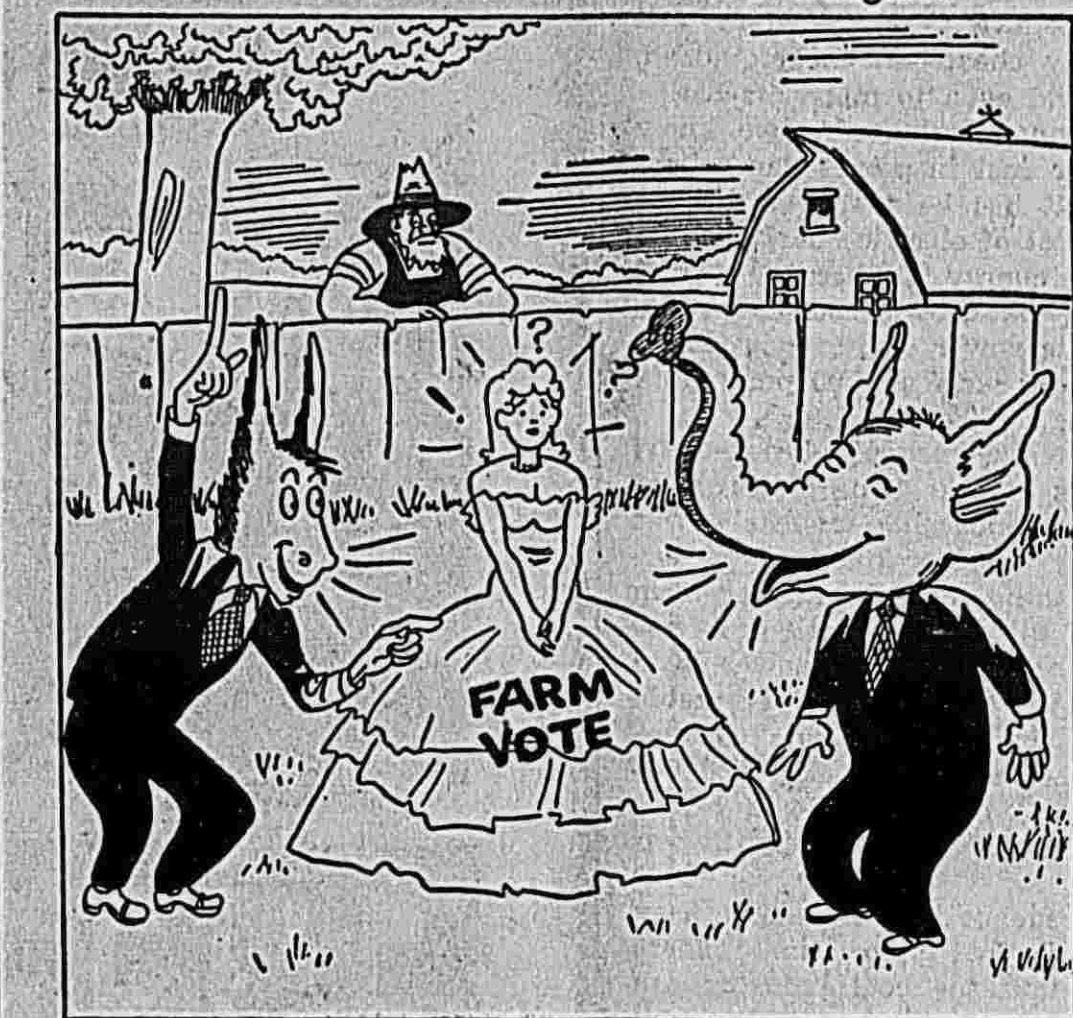

Publicity and promotion details for the outing are being handled by Pat Murphy and Bernard Osmond, both long identified with Republican politics in the Lake County community.

State Representative W. J. "Bill" Murphy stated early this week that the appearance of Ben Adamowski on a Lake county platform would draw a heavy audience not only from the Cook county people vacationing in our Chain of Lakes area, but also from the multitudes of new permanent Lake county residents who formerly lived and voted in Cook county.

A native Chicagoan, Ben Adamowski graduated from De Paul University Law School in 1928. He served five consecutive terms in the General Assembly of Illinois and was elected both majority and minority leader of that body. Following service in the state legislature, he entered military service in 1944 as a private and returned from overseas service in 1946 with the rank of captain. Mr. Adamowski (continued on page 4)

## Maxine Jarolimek, 33 Gets Life for Murder Of Her Mother-in-Law

## Jury Says She Caused Death of Irene Jarolimek by Strangling

Mrs. Maxine Jarolimek, 33, Island Lake, was found guilty of the Valentine Day shooting and strangling of her mother-in-law, Mrs. Irene Jarolimek, 55, of Lake Catherine by a grand jury in Lake County Circuit court Tuesday.

The jury of nine women and three men deliberated from 3 to 9:30 p. m. and then returned a verdict of guilty, fixing the punishment at life imprisonment.

Mrs. Jarolimek sat silent for a moment, stunned by the verdict and then burst forth with "That's all lies," breaking into tears.

Defense Atty. Arthur C. Holt made a motion for a new trial, and was given 10 days by Circuit Court Judge Decker to file the motion in writing.

As Mrs. Jarolimek was being taken to her cell she turned to her estranged husband, Jerome, 24, and said, "I hope you're satisfied with your lies."

It was reported that seven of the women held out for the death penalty.

Mrs. Jarolimek will be eligible for parole at the end of 20 years.

State's Atty. Robert C. Nelson charged that the defendant went to the home of the elder Jarolimeks ostensibly to get money, and after shooting her mother-in-law, leaving a slight wound, applied a tourniquet to her neck and strangled her. Then she took the money from her mother-in-law's purse, and left, going to her home at Island Lake where she was found in the company of a sailor. Her husband was in the hospital at the time suffering from a nervous malady.

Atty. Holt tried to show that no one could prove that his client had any other money than her own, and pointed out that the coroner's pathologist testified he had not examined the victim's head during the autopsy, and that it was possible Mrs. Jarolimek died of a brain injury.

Dr. Eric Bock, the pathologist, testified that the elder Mrs. Jarolimek died of strangulation.

The daughter-in-law testified that she had been shown the gun which went off accidentally and that at her mother-in-law's request she applied the tourniquet to stop the bleeding.

## Martha H. Congdon, 92, Buried at Melrose, Mass.

Mrs. Martha H. Congdon, 92, a former resident of Antioch, died June 29 at the Mary Margaret Nursing home, 105 N. Gifford st., Elgin. She was born Oct. 11, 1903 in Yarmouth, Nova Scotia, Canada, moved to the United States when 13 years of age and lived at Melrose, Mass., before coming to Antioch in 1924.

In 1946 she moved to Elgin. Her husband Lyons B. Congdon died Jan. 3, 1945.

Survivors are a son, Raymond E. of California, and a sister, Miss Helen Hatten, Melrose, Mass.

Funeral services were held at Melrose Memorial home. Interment was at Melrose.

Although last night was merely a preview, the American Legion and Knights of Columbus carnival got off to a good start and if the weather is favorable should have large crowds.

The carnival this year will be held on the Ackerman property, just south of the water tower, at Broadway and Orchard streets.

Five rides—a ferris wheel, merry-go-round, mixer, tubs of fun, and a kiddie auto ride—will be furnished by Arthur Putsko & Amusements of Rockford.

Sixty-one members of the Legion, K. of C. and the Legion Auxiliary will operate 8 booths and various stands. Included will be a doll and stuffed toy, sports, and a ticket booth.

For the first four days the carnival will be from 7 p. m. until 11. On Sunday it will open at 2:30 and run through until closing time.

The Antioch fire department will have water fights on Saturday night between Gurnee, Lake Villa and Fox Lake, and on Sunday night between Wilmet, Trevor, Salem, and Bristol. The fights will take place on Orchard street. Because the Wisconsin departments do not have village mains to draw water from they have been unable to have water battles in their home communities and are anxious to come to Antioch for the experience.

On Sunday afternoon, the Antioch-Lake Villa Republican club will hold a Republican get-together on the west end of the carnival lot. There will be free rides for the children and refreshments. Many prominent politicians are expected to be on hand, as well as county candidates. The program, which will feature State Representative Ben Adamowski as the main speaker, will run from 3 to 5 p. m.

John L. Horan is general chairman of the carnival and is assisted by the following committees: American Legion—Roman B. Vos, Dan Lightsey, and John W. Horan; Legion Auxiliary—Mrs. Burt Anderson, Mrs. Joseph Horton, Mrs. V. J. Keeney, and Mrs. John L. Horan; Knights of Columbus—Walter T. Farrell, chairman; Francis H. Mitchell, Melvin H. Umenhofer, and Rudolph J. Eckert.

## Dedication of Pool Postponed; Now Set For Sunday, August 5

Dedication of the Antioch Aqua Center will take place on Sunday, August 5, instead of the previously announced date, July 29. Decision to postpone the ceremony was made at a committee meeting Monday evening, after it was found that the annual Festival and Picnic of St. Peter's church was set for the same date.

Although the St. Peter's event will take place at Sherwood Park, Lake Villa, it was felt that many local residents would like to attend both functions.

Changes in the program from the original announcement include a single parade beginning at 3:00 p. m., and the inclusion of professional entertainment in the line of swimming and diving. Main speaker for the dedication program to be held at the pool will be a state official.

Slough Fire Friday Antioch firemen fought a grass fire Friday afternoon in the slough near Smart's Country House. An area of 1½ acres burned.

## Enlargement of High School Athletic Program, Street Outlet to Rte. 173 from Sequoit Acres Hinge on Ability to Obtain Soo Line Underpass

## Car Strikes Residence On Depot St., Moving It From Its Foundation

The John Millhouse residence on Depot st. was knocked several inches off its foundation Saturday when a car driven by Karl Novak, 17, of Berwyn, Ill., went out of control as he tried to make the bend in the roadway, jumped a ditch and barricade of telephone poles and crashed into the side of the house.

The impact broke furniture, glasses, and lighting fixtures in the house and the lawn was badly torn up. The refrigerator was moved three inches from the wall and the contents spilled.

Mrs. Millhouse was in the room at the time and she suffered shock, and a cut on her right hand.

The three-room house is owned by Mr. and Mrs. Leslie Palmer of North Ave. and the Millhouse family is a renter.

Novak was arrested by Police Chief Walter I. Scott who turned him over to sheriff's police because the place of the accident is outside the village limits. He was charged with reckless driving. Novak suffered a cut on the right arm and neck and shoulder injuries.

Police said his speed must have been very high to leap the barricade and travel 80 feet before coming in contact with the corner of the house.

There have been several accidents at this particular place in the road and each time the property has been damaged. There is belief by the property owner and others that reflector lights should be placed where the road jogs to slow down the cars.

Another house, the home of the Frank Konigseder family on Buckley rd. a half mile east of O'Plaine rd. was struck by another car earlier in the day. Two three-foot-long sections of concrete foundation were knocked into the basement where they damaged a home freezer. Robert Haring, 29, Great Lakes, was the driver of the car.

## Transformer Trouble Starts Fire at Church, Does Damage in Homes

When electricians changed a transformer near the Antioch Methodist church at noon yesterday the area received such an overcharge of electricity that damage was done in three or four buildings.

The Rev. Howard Benson and a man who was repairing the roof of the church discovered smoke coming from the basement of the church and turned in an alarm. Mr. Benson said he shut off the electrical switch and no more trouble was experienced.

At the Mortensen hotel lights were burned out, and at the House of Beauty, a beauty shop, a radio was burned out.

At the Bernard Haviland home next door, it was said that a television set was burned out, and at the Kenneth Frank garage apartment west of the hotel a toaster was burned out.

The heavy charge seemed to damage only that electrical equipment which was turned on at the time.

Fire Chief Edgar Simonsen did not have a full report of the damage last evening. He said he had been informed that the Midland Utilities Co. was in charge of the work, but that he did not know what the difficulty was. He said it was quite fortunate that the Methodist pastor was at the church at the time or a serious blaze might have resulted.

## Funeral Services Tues. For Dr. L. J. Blakeman

Dr. Lloyd J. Blakeman, 64, Bluff Lake, Antioch, died Saturday, July 7 at Michael Reese hospital, Chicago following a year's illness. Dr. Blakeman had been a Chicago physician for thirty-eight years. He leaves many friends in Antioch. He was past president of the South Side branch of the Chicago Medical Association and was on the staff of Chicago Memorial hospital and Columbus hospital.

Surviving are his wife, Louise, two sons, Allen, Bluff Lake, and Lloyd, Jr., Palos Park, his mother, Mrs. Alice Blakeman and four grandchildren.

Funeral services were held at 1 o'clock Tuesday at Lan and Sons chapel, 2121 85th street, Chicago. Interment was in Mount Hope cemetery.

## Village Officials, Chamber Of Commerce Officials Meet With School Board

## School Board Asks Village to Finance Underpass for Right of Way

On the ability of Antioch Township High School and the village to obtain permission to construct an underpass beneath the Soo Line tracks will rest the plan for the high school's enlarged athletic program and a new street connecting Ida Ave. and Rte. 173 east of the railroad.

A meeting of village officials with members of the high school board of education and representatives of the Antioch Chamber of Commerce, at the high school Monday evening was devoted to a discussion of the desire of the business men and the village to gain a south entrance to Sequoit Acres.

The land sought for the highway would be a 60-foot wide strip from the high school's tract east of the railroad used in the past as a baseball field. The street would parallel the railroad right of way and would make possible a direct connection with Rte. 173 from any portion of Sequoit Acres now set aside for industrial purposes.

Industry Dislikes Route One of the hindrances in inducing industry to locate on the village-owned property has been the fact that it is now necessary to travel (continued on page 5)

## Yanks, Dodgers, Giants Seek Little League Title in First Round

The Little League teams went into the final game of the first round of play last week. The Sox and Dodgers had a tie score game, and the Dodgers played a seven inning game with the Giants which also ended up tied. Both games will be played off next week.

Friday night the Cubs won a thriller from the Giants in the sixth inning with a 7-6 score. Sunday the Cubs continued their late inning scoring drive and beat the Yankees in the last half of the sixth inning 10 to 9. The game Sunday was a tough one for the Yanks to lose as it prevented them from wrapping up the championship for the first round of play.

As of last Sunday night the Yanks were in first place, but close behind them were the Giants and the Dodgers. Both of these teams have two games left to play, and if either the Giants or the Dodgers win both games they will take the first place spot in this round of play. The Giants and Dodgers have a tie game to play off and each team has a game with the Sox in order to finish up their scheduled games.

The standings of the teams as of Sunday night, July 8, were as follows:

Team	Sponsor	W	L	Pct.
Yankees (Nat'l Bank)		5	3	.625
Giants (Ant. Lumber)		3	2	.600
Dodgers (L. V. Drugs)		3	2	.600
Tigers (State Bank)		4	3	.571
Cubs (Ant. Servicenter)		4	4	.500
Sox (Dupre Heating)		0	5	.000

In addition to the play off games (continued on page 5)

## Band Tag Day Nets \$439 for New Uniforms

As a result of the Tag Day grade school band members held last Friday and Saturday, the Antioch Grade School Band Parents Association will now be able to pay for the completion of the band uniforms.

While collecting from 4 to 8:30 p. m. on Friday, and from 9 a. m. to 4:30 on Saturday, band members earned more than \$439 on the second Tag Day they've had in two years' time.

So far, trousers, ties, and belts have been purchased, but between \$1400 and \$1500 was necessary to pay for the completion of the outfits. Previously \$1200 was earned, and with the recent funds collected on Tag Day, it will be possible to complete the uniforms.

Although the uniforms are now paid for, the Band Parents Association will continue their organization to help the band in other ways, Norvin Stoffel stated.

### Norman Thomas Warns Labor

Organized labor has no greater champion than Norman Thomas, the long-time Socialist Party leader. As he says, in a newspaper column, "In my life I have worked hard and even suffered several arrests to assert the right of workers to organize and to strike." But in that same column Mr. Thomas presents a warning that every worker and every union official should take to heart, in self-interest if for no other reason.

Mr. Thomas was gravely disturbed by the recent subway strike in New York. This was a wildcat strike, called for jurisdictional reasons by a small union. It literally tied up the city and left 750,000 people stranded, in 96 degree heat. Mr. Thomas writes: "I never believed that there was an automatic identification of the good of a particular group of workers with the good of society. . . . The American community which has suffered more than enough under the old capitalist formula of 'the public be damned' cannot permit labor unions to say it with impunity."

Long ago, the "public be damned" school of capitalists learned of their error. Outraged public opinion brought into being all manner of laws and regulations asserting, in effect, that the public welfare is superior to any other consideration.

Today the unions are in positions of almost incredible power. By shutting off vital services, they can paralyze a great city, as happened in New York. By shutting down production in basic industries, they can deprive the whole nation of needed goods. Unless they exercise restraint from within, it will be exerted from without—just as happened in the case of industry and capital.

### Grassroots Opinion

WALL, S. D., COURANT: "True, the farmers have problems, but so don't we all. The nearer the government comes to a guarantee of a 'living wage' to the farmer (then to the rest of us) the nearer we come to socialism, and the farther we pull away from our heritage of individualism and self initiative and improvement."

BLAIR, NEBR., ENTERPRISE: "... this nation cannot go on grabbing selfishly for funds which will benefit a few without regard for the needs and the benefits of the many. . . . If this country is ever to have sound government, we are going to have to think farther than our own local communities in asking for government projects."

ST. LOUIS, MO., LABOR TRIBUNE: "We are not so sure that millions of Americans would not like-wise surrender their birthright of freedom to some slick, swashbuckling paranoiac if they were promised steady work at good wages and other forms of security by a dictator who might be able, through some ruse or other means, to take control of the U. S. A. and operate it for his own and his collaborator's exclusive hidden benefit, power and glory."

DUBLIN, TEXAS, PROGRESS: "The old saying that you can't get something for nothing is still true, even though many of us act like we don't believe it—and political candidates, would have us forget it."

### Coal Looks Forward

Writing in Human Events, David Shea Teeple has something worthwhile to say about nuclear energy as a source of electric power. It will come as a surprise to those who believe that the atom will make electricity incredibly cheap—so cheap, indeed, that it won't be worthwhile even to meter its use.

All nuclear energy can do, so far as we know now, is to replace another fuel in power generation. Mr. Teeple points out: "It has been shown that 80 per cent or more of the cost of electric energy to the consumer occurs after the energy has been generated (transmission lines, labor, taxes, overhead, collection, etc.) so that even if atomic power could be produced for nothing, the householder with a \$6.00 per month power bill would still pay \$4.80."

Mr. Teeple also quotes a recognized authority, Dr. W. Kenneth Davis, as saying: "One of the most persistent erroneous ideas concerning nuclear power is that the fuel for nuclear power plants is of entirely negligible cost. Nothing could be further from the truth. In fact, one of the most difficult problems in the development of economic nuclear power is to get the cost of the fuel cycle down to an acceptable level." The cost of producing power from conventional fuels, such as coal, has steadily diminished—and very complex problems must be solved before nuclear power will be anywhere near competitive as to costs.

All of which gives credence to a statement from an official of the National Coal Association: "There can be little doubt but that the coal industry can look forward, not only to maintaining its present relative position in the energy market, but indeed to improving it."

### Right Kind—Right Time—Right Place

We think of the oil business as a producer of "Big money" for those individuals and concerns which are lucky enough to make outstanding strikes and successes. What most of us don't think of is the "big money" it takes to find, develop, refine and market oil for the thirsty consumer.

The latest annual report of the Standard Oil Company (New Jersey) provides an excellent insight into this. Last year, the company's affiliates invested some \$860 million in searching for and developing new reserves of crude oil and in building the necessary refining, transportation, marketing, and research facilities. This year they plan to spend much more—well over \$1 billion—for similar purposes.

Incidentally, it is of general interest that the company's income taxes amounted to more than \$544 million last year—and that it collected for government consumer taxes on its products aggregating \$451 million.

The company's report said this: "The basic job of the oil business is to have the right kind of petroleum products available in required quantities at the right time, in the right place. The new oil fields, the enlarged or improved refineries, and the expanded or more efficient distribution equipment that result from . . . capital outlays, strengthen our ability to meet people's needs and to perform important services for the consumer." That tells oil's great story.

## Lake Villa

Mrs. Fred Bartlett, Correspondent  
Tel. Elliot 6-4454

Mrs. Howard Schneider was a patient at the Victory Memorial hospital a few days last week.

The fireworks display sponsored by the firemen was enjoyed by both young and old. It was held Sunday evening at the Village Park in Lake Villa.

Mrs. M. York of Ingleside will have the sewing circle group at her home at 2 o'clock. Refreshments will be served.

Mrs. H. Emerson, Dorothy Emerson and Mrs. R. Sadowsky of Winthrop Harbor will volunteer at La-Grange Masonic Orphanage to do sewing, mending and help grade 3 children with their class work.

The Emerson family will spend three days at Marinette, Wis.

Friday at 8 p. m. Mrs. H. Emerson will be a guest at the Sun-Rise chapter, escorted to the east by her nephew, Jack Emerson from Chicago.

Mrs. M. Maxwell, Mrs. R. Rosen, Mrs. H. Emerson and Dorothy Emerson will be swimming at the Butler House in Chicago.

Mr. and Mrs. Joseph Jobgen and family from Galena, Ill., were week end guests at the Russell Nickerson home. Mrs. Jobgen is Mrs. Nickerson's sister.

Mr. and Mrs. Christ Jensen of Kenosha, Wis., were guests at the Henry Jarvis home.

John Jarvis is spending his vacation with his aunt and uncle in Bristol, Wis.

Linda Lee Ladewig is spending a few days with Mr. and Mrs. Elsworth Ladewig of Winthrop Harbor. Mr. and Mrs. Henry Jarvis and family visited at Bristol, Wis., last week.

## Health Talk

### Preventive Medicine

"Preventive medicine is the medicine of the future." This prediction was made many years ago by Sir William Osler, one of the world's greatest physicians. What is preventive medicine? The term is far-reaching in that it encompasses public health, sanitation, individual and community health. But before preventive medicine can be applied, the cause of a disease must be known, the Educational Committee of the Illinois State Medical Society observes in Health Talk.

Quarantine and isolation, enforced by public health officials, have done much to control certain infections and communicable diseases which were once epidemic.

Preventive medicine includes effective immunization against disease. Smallpox, diphtheria, typhoid fever, whooping cough, tetanus, yellow fever, rabies, typhus, cholera, and plague are among the diseases that have been effectively controlled through immunization; and measles can be lessened in severity, or prevented completely, if proper inoculation is given after exposure.

The 1955 contribution to preventive medicine was the development of the Salk vaccine which, it is to be hoped, will render children immune or less susceptible to poliomyelitis.

The control of environment is important in preventive medicine. Scientific sewage disposal, safe water supplies, sanitary production and processing of foods, inspection of cleanliness in eating and food-handling establishments have contributed greatly to the control of water or water-borne diseases, such as typhoid fever, septic sore throat and infectious diarrheas.

Mortality from childbirth has decreased through preventive measures. Fevers and infections once commonly associated with pregnancy and birth are no longer a threat to either mother or infant. Sterile precautions are largely responsible. Ophthalmia neonatorum, once a common cause of blindness in newborn babies, is a disease of the past because of the introduction of silver nitrate into the infant's eyes immediately after birth.

A regular physical examination is a strong diagnostic instrument in preventive medicine. The proper

correction of early symptoms will do much to curb progression of a disease if not control it entirely. This is true of such conditions as high blood pressure, heart disease, cancer, dietary deficiencies, and tuberculosis.

In the case of nervous and mental diseases, prevention is possible by improving physical health and by fostering adjustment in the emotional training from early childhood. Education to face and accept

obstacles in everyday living, changes from childhood to adolescence and from adolescence to maturity form a bulwark in preventive medicine.

In diabetes mellitus, which appears to be increasing, partly because people are living longer, preventive measures are limited to the control of obesity, proper nutrition and case-finding surveys to get the unknown diabetics under care.

With asthma, adequate diagnosis in childhood and continuing care

will prevent chronic fibrosis, or formation of fibrous tissue of the lungs, which cripples the patient.

While preventive medicine has advanced greatly in recent years to the point where widespread epidemics are avoided, much needs to be accomplished. Continued and concentrated research will yield the answers to the causes of numerous conditions now affecting the older age group. With the source established, further research will provide the proper preventative.

## HER KITCHEN—10 degrees cooler—

## HER RANGE—a modern electric

Hot weather's here again. And unless you have a modern electric range, your kitchen's likely to get even hotter when your oven's on a couple of hours.

Uncomfortable? Yes, and unnecessary. Today's electric ranges keep your kitchen about 10 degrees cooler because they keep the heat in the oven where it belongs.

Modern electric ranges also keep your kitchen cleaner. (Actually twice as clean as other ways of cooking.) And today, *nothing* cooks faster.

The latest electric ranges offer many "new idea" features. For example: built-in rotisseries, smokeless broilers, counter-top cooking units and automatic controls. See them at your dealer's. Discover how easy it is to own a cool-cooking electric range.

Big saving—we pay part of your range installation cost!

Need modern wiring? We share the cost with qualified home owners in 1, 2 and 3-family dwellings.

And you get more than a money saving!

Modern wiring helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

## Schroeder-Gibbs Rites June 30 at Gurnee Double Ring Ceremony

In a candle-light service at the Gurnee Community Church, Gurnee, Ill., at 4 p. m. June 30, Miss Sally Schroeder, daughter of George Schroeder, Circle Dr., Petite Lake, became the bride of Lemuel Gibbs of Waukegan.

The bride wore a white linen crash sheath dress with white and blue accessories and carried a cascade bouquet of white and blue carnations. The matron of honor, the bride's sister, Margaret Salica, wore powder blue with a matching cascade bouquet.

The bridegroom was attended by Ben Salica. The Rev. Lloyd Ogilvie performed the double ring ceremony, and the bride was given in marriage by her father, George Schroeder.

A wedding dinner followed at the Rustic Manor, and an evening reception was held at the Salica home in Kenosha. Many out of town guests attended.

The newlyweds are honeymooning in Florida. . . .

### O. E. S. Officers to Sponsor Bazaar and Dinner, July 21

The officers of the Order of the Eastern Star will sponsor a bazaar and dinner on Saturday, July 21, at the Masonic dining room in Antioch, and the public is invited.

A ham dinner will be served from 5 to 9 p. m., and serving will be family style.

Bazaar booths will include home baked goods, fancy work, and a counter of miscellaneous items.

Mrs. Jack Woods is general chairman of the affair, and Mrs. Clarence Heath is in charge of the dinner. Mrs. Robert Pincombe and Mrs. Wayne Polsgrove are chairmen of the fancy goods and bakery goods committees, respectively. Mrs. Otto Luedtke will be chairman of the small item counter. . . .

### Annual Scout Picnic to Be At Libertyville July 14

The annual picnic of the Northwest District, North Shore Area Council, scout, cub and explorer leaders and their families will be held at Adler park, Libertyville, on Saturday, July 14.

Chief business to be conducted at the assembly will be the distribution of scouting program materials for the 1956-57 year.

Some 150 persons, representing the 63 scout, cub, and explorer units in the district, are expected for the picnic and program beginning at 4:30 p. m. The program will end around 8:30 p. m. when the Adler Park pool will be opened for swimming. Families will bring their own picnic suppers. . . .

### Baptist Church Activities

The teen-agers group of the Baptist Bible Church of Round Lake Beach are planning a beach party this Friday night, July 13. They plan to leave the church at 7:30 p. m. and to return there afterwards for a "special treat."

The party is under the supervision of Louis Warman, Mrs. R. Evans and William Anderson.

The ladies of the Baptist Bible church held a picnic on July 6 on the lake front across from the George Owens home, in Edwards Subdivision. Mrs. G. Owen was hostess for the day. . . .

### St. Peter's Societies Plan Festival for July 29

Officers and members of St. Peter's Altar and Rosary and Holy Name Societies met Monday to discuss final plans for the July picnic and festival. This year the festival will be held at Sherwood Park in Lake Villa on Sunday, July 29.

Games, merchandise booths, and refreshments will be offered. The ladies of the parish will feature handmade dolls, toys, and a bakery booth. Proceeds from the picnic will go for the new convent and addition to the school. . . .

### American Legion Auxiliary Cancels Regular Meeting

The Antioch American Legion Auxiliary will not meet Friday, because most auxiliary members will be working at the carnival.

The next regular meeting of the auxiliary will be held at 8 p. m. on Friday, July 27. At that time the Antioch Girls' State representative Rosa Mena, will give a report on her week's attendance at Girls' State, which was held at MacMurray College, Jacksonville, Ill. . . .

### St. Ignatius' Ladies' Auxiliary Plans Annual Rummage Sale

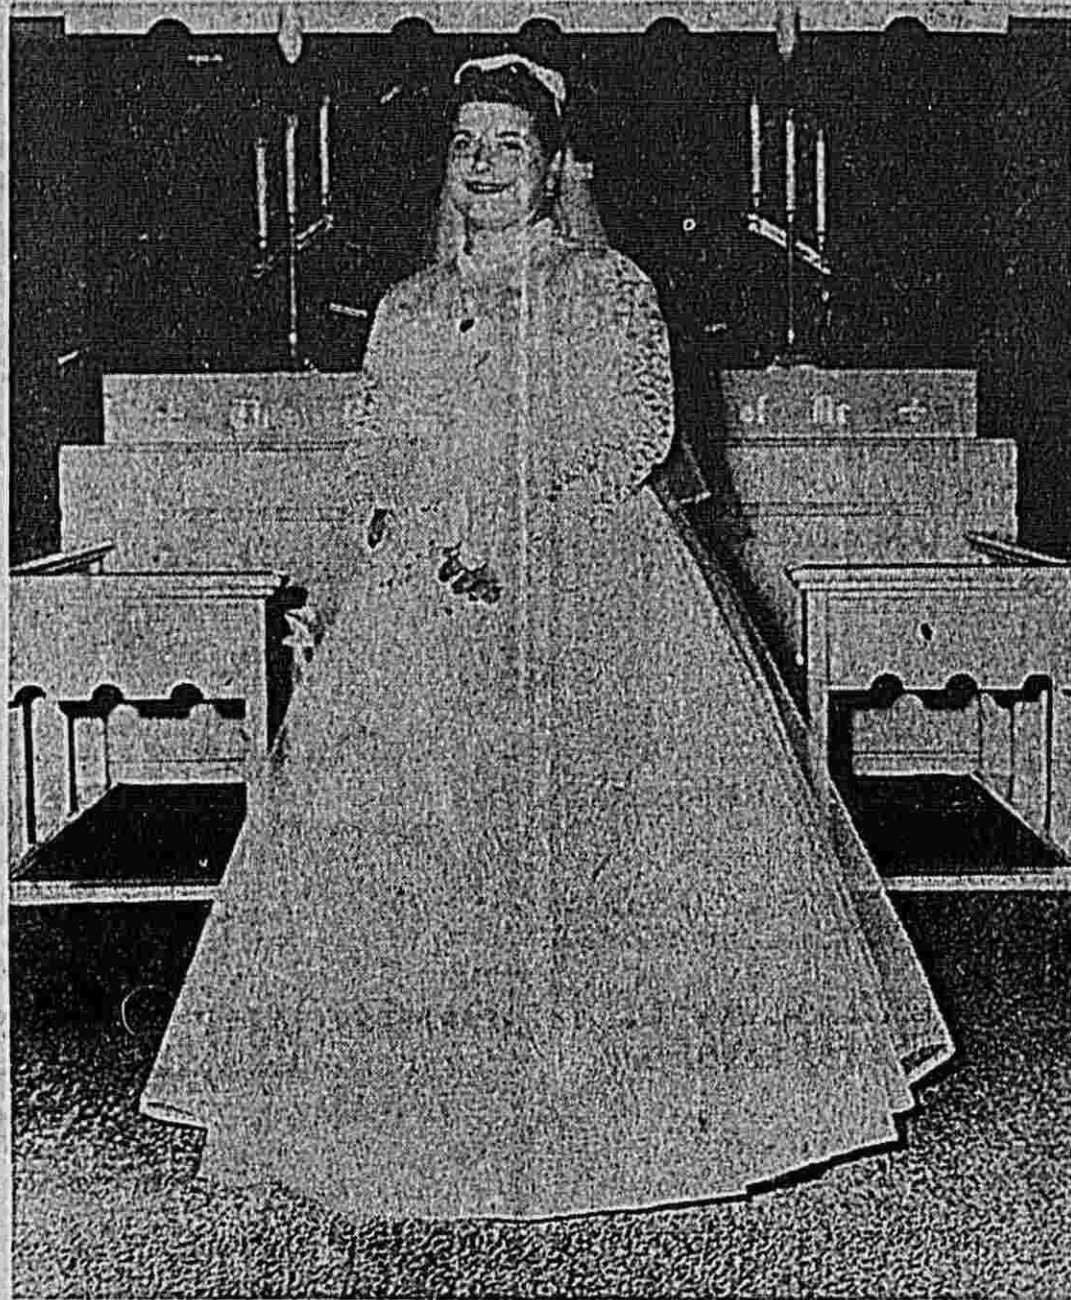

The annual rummage sale of the Ladies' Auxiliary of St. Ignatius' Episcopal church will be held tomorrow and Saturday, July 13 and 14, in the Parish hall.

Hours for the rummage sale, which will also include antiques, will be from 10 a. m. to 9 p. m. on Friday, and from 10 a. m. to 6 p. m. on Saturday.

Chairmen of the sale are Mrs. John Horan, Jr., and Mrs. Andrew Magiera. Mrs. Ida Osmond will be in charge of the cherry tree. . . .

Mr. and Mrs. Kenneth Mortensen and Mr. and Mrs. Chris Mortensen returned home Sunday after a vacation in Canada, Minnesota, and Winter, Wisconsin. . . .

## Barbara Barthel Is Bride

Miss Barbara Barthel, daughter of Mr. and Mrs. Carl Barthel, became the bride of Charles James Smith recently. The wedding took place in Faith Lutheran church, Antioch, with the Rev. R. P. Otto officiating in the single ring ceremony.

## A.W.C. Garden Section Takes Garden Walk, and Enjoys Shoe Tree Show

Members of the Garden Section of the Antioch Woman's club gathered on Monday afternoon at the home of Mrs. Dudley Kennedy and began their Garden Walk. Other homes visited were those of Mrs. O. I. Onstad, Mrs. John Wagner, Mrs. Earl Hays, Mrs. Frank Pechousek, Mrs. Edmund Vos, Mrs. J. Edward Dompke, Mrs. E. J. Sletten, Mrs. Clarence Spiering and Mrs. Louis Biel.

Although quantities of pansies, shasta daisies, pinks, and roses were in bloom, the late season had kept a number of blooms back, so the women decided to include a "Tree Show" to make the afternoon more enjoyable.

Shoes were hanging from the "Shoe Tree" of Mrs. Hays while doughnuts and walnuts decorated Mrs. Wagner's "Nut Tree." A "Family Tree" was on display at the Sletten home which was filled with dolls. Mrs. Biel's "Fruit Tree" bore bananas, pineapple, oranges and lemons while Mrs. Spiering's "Vegetable Tree" contained a watermelon, carrots and onions.

Mrs. Dompke remedied her empty circular flower bed by wiring it full of artificial flowers and fruits from a hat shop.

Refreshments were served at the Biel home where a business meeting took place in which officers were named for the new season. They are: Mrs. Onstad, chairman; Mrs. Sletten, secretary; and Mrs. Norman Benson, treasurer.

A complete program and hostess list was prepared for the Woman's Club yearbook and plans were made for a picnic and splash party at the home of Mrs. Joseph Patrovsky next month. . . .

### Book Is Letterman

Charles Bock, a graduate of Antioch Township High school, and now attending Miami University in Oxford, Ohio, was awarded a varsity letter in track from Miami this spring.

Bock also received a miniature gold emblem symbolic of the conference championship since Miami has won the Mid-American Conference crown in track for the ninth straight year. . . .

### Mayor Has Grandchild

Mr. and Mrs. John Kakacek of Antioch announce the arrival of their first child, a daughter, who was born at St. Therese hospital at 4:30 on Sunday afternoon, July 8. The baby who has not been named yet, weighed 7 pounds, 15 ounces at birth.

Mrs. Kakacek is the daughter of Mayor and Mrs. James W. McMillen of Antioch. This is the mayor's first grandchild. . . .

Homer Tiffany of Dallas, Texas, is vacationing with relatives in Antioch and Chicago. . . .

Dr. D. N. Deering was admitted to Hines Veteran's hospital at Maywood last Friday. . . .

## Women of the Moose Hear Talk on Scouting At Initiation Meeting

"Cub-Scouting and the Need for Den Mothers" was the subject of Richard Eckert in his talk to the Women of the Moose at an initiation meeting in the Moose home on July 5. Mrs. Arthur Dubell and Mrs. James Fura were initiated into the organization.

Eckert, who has received the Eagle Scout and 15-year awards, is at present the chairman of the pack committee for Pack 92.

Pack 92 holds many of the highest awards in the North Shore area, but there is still a shortage of den mothers. Any mother wishing to help in this program may contact Mr. Eckert.

The new W. O. T. M. chairmen for the coming year are follows: Mooseheart Alumni, Myrtle Lelany; Publicity, Bernice Kolar; Mooseheart, Katherine Avery; Library, Jerri Polson; Social Service, Marie Buchenback; Child Care, Ann Eggen; Ritual, Evelyn Erickson; Moosehaven, Gertrude Good; Home-making, Lorraine Cesar; Hospital, Martha Samborski; and Membership, Alice Young.

Chairmen of the special committees are Friendship, Irene Noble; Civic Affairs, Rosemary Eckert; Kitchen, Mildred Stroner; and Audit, Alice Bushmole.

Escorts for the coming year will be Eileen Kosar, Ruth Hallwas, Bette Heath, Charlotte Kelly, Betty Meierdick, Winifred Casperson, Joan Lindstrom, and Alma Cole. . . .

Continuing his sermons on the subject "The Voice of God Calling," the Rev. Howard Benson of the Antioch Methodist church will preach at the 9:30 and 11 a. m. services Sunday on the topic, "Our Hand and Our Heart." . . .

Mary Jane Jensen, is spending the week at Conference Point, Williams Bay, Wis., on Lake Geneva. She is representing the Intermediate Methodist Youth Fellowship of Antioch at the camp session. . . .

Mr. and Mrs. Edwin Runnfeldt, Sr., and daughter, Dorothy, of Los Angeles, Calif., left Antioch Tuesday after visiting the Edwin Runnfeldts here. . . .

Dr. and Mrs. C. P. Tossey and three sons returned home Tuesday after spending several days with Mrs. Tossey's parents in Richwood, Ohio, and Dr. Tossey's mother in Columbus. . . .

## Grady Released From High School Contract; To Teach at Hospital

John Grady, science teacher at Antioch High school for the past three years, has been released from his contract in order to enable him to accept an offer to teach in the nurses' training program at Cook County hospital. The high school board has secured the services of Miss Josephine Diethelm, Lake Forest, as a math teacher. She is a graduate of Barat college, and has had practice teaching at Convent of the Sacred Heart. An additional room will be put into service at the school this year to take care of increased enrollment. Ninety seniors were graduated and the expected number of incoming freshmen is 200. . . .

over village main streets to get to the highway.

Questions discussed at the meeting included:  
1. If the school turns over land for the street to the village would the village pay the cost of an underpass beneath the railroad, now under consideration by the school?  
2. If the village gains this land, would it give some land equal to the 60-foot right of way, or fill the lower end of the tract in return?

**To Approach Soo Line**  
A surveyor is being employed to survey the school property, and the attorney for the school will contact the Soo Line to gain permission for the underpass. This may also call for permission from the Illinois Commerce commission.

"The underpass is the first step in the procedure," said Trustee Murrill Cunningham, chairman of the streets and lighting committee. "Not until that matter is solved will either the village or the school be able to progress far in their plans."

While Cunningham and his committee could not make any promises, he was of the opinion that some arrangement may be worked out after the underpass is obtained. Representing the village were Mayor James McMillen, and trustees Cunningham and George Garland; representing the school board were Lester Hamlin, Roman Vos, Mrs. Ruth Seyfarth, Harold Wilson, and Principal Albert Dittman; and representing the Chamber of Com-

July 18, Wednesday, 6:30 p. m., Yankees vs. Cubs.  
July 19, Thursday, 6:30 p. m., Dodgers vs. Giants.

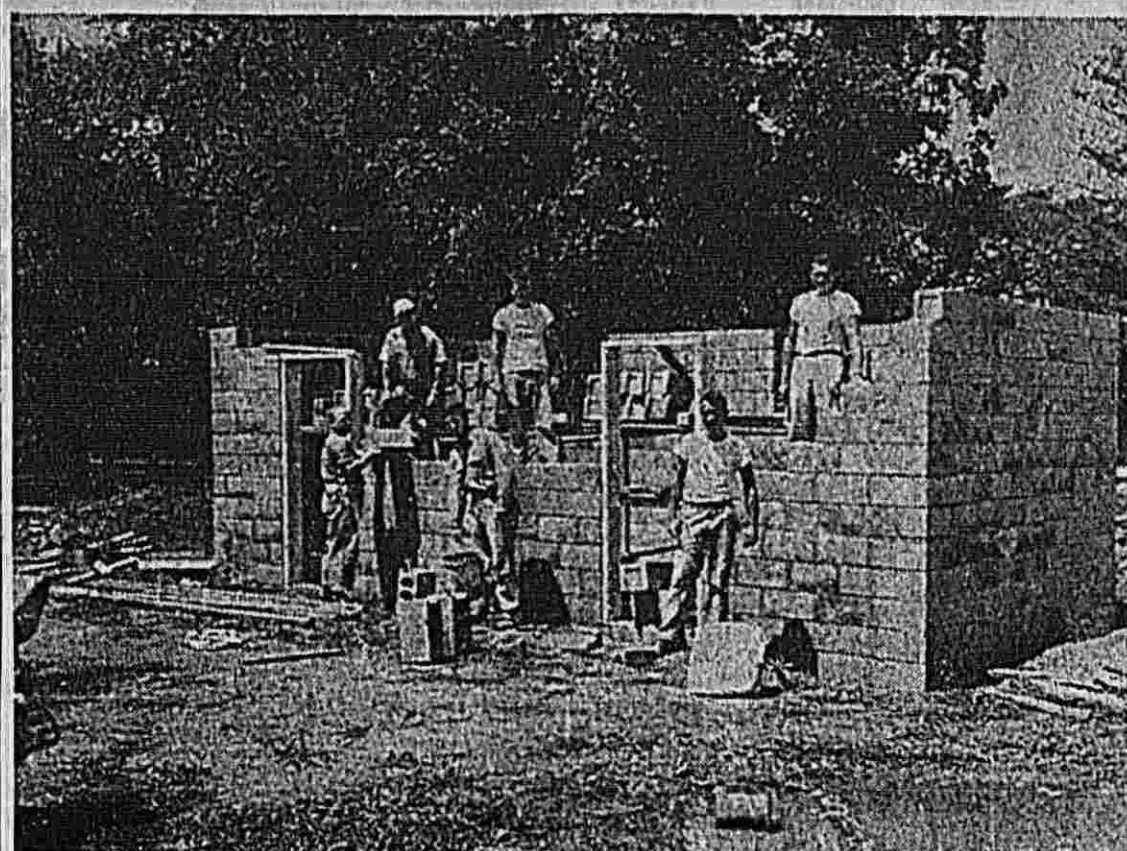

Mr. and Mrs. Anton W. Johnson and son Bill of Lake Catherine and Henry Macroski of North Chicago arrived home Sunday night, July 8, after 10 days spent in Lake Florence, and Perrault Falls, Ontario, Canada.

merce were President Joseph Patrovsky, Jr., O. I. Onstad and A. Harold Olsen.

The Chamber of Commerce is interested in the new street as a means of attracting industry, and business to Antioch, and was the organization that approached the village on the plan.

The high school officials are interested in the subway as a means of getting students back and forth from the building to the proposed improved athletic field without the danger of crossing the tracks.

## Parents of Little Leaguers Build Rest Room

Parents of Little League Baseball players and parents of future players are shown giving time gratis to the construction of the new public rest room at Williams park near the Little League grounds. On the ground are Robert Avery, Alfred W. Young, and Lester Eddy, and on the scaffold Frank Kickland, Milwaukee, and his nephew, Mickey Osborn, and Albert Girard. Village Trustee John Blackman and Sigurd Nielsen put on the roof, and Lester Palmer will put in the plumbing.

## B. Olson of Lake Villa Dies After Brief Illness

Bonde Olson, 83, of Deep Lake rd., Lake Villa, died Tuesday, July 10, at 5 p. m. in Condell Memorial hospital in Libertyville after a brief illness.

Born on May 12, 1873, in Sweden, Mr. Olson came to America at the age of 12 to settle in Burlington, Iowa, for several years.

He then moved to Chicago where he lived until his retirement as a tailor, 18 years ago. He was foreman for the J. L. Taylor company. From Chicago, he moved to Deep Lake.

Mr. Olson was a member of Saron Lutheran Church in Chicago, and a 50-year member of the King Oscar Masonic lodge.

Surviving him is his wife Leona; one son, Harry, of El Paso, Texas; one daughter, Mrs. Beatrice Cribb of Lake Villa; and two grandchildren.

The funeral will be held at 2:30 p. m. tomorrow at the Strang Funeral home, and interment will be in Angola cemetery at Lake Villa. Friends may call at the home after 1 p. m. Thursday.

E. Morley Webb of Mexico, D. F., left Friday after spending two days with relatives and friends in Antioch.

# 7,800 Signers of Petition Ask County Supervisors To Call Referendum Nov. 6 on Forming Health Dept.

## Thomas J. Deutsch, 45 Dies After Long Illness

Thomas J. Deutsch, 45, Grass Lake rd., Antioch, died at 3:40 p. m. Saturday at St. Theresa hospital following a lingering illness.

He was born August 10, 1910 in Chicago and for the past ten years had made his home in Antioch. He was a member of St. Peter's church. His occupation was that of dredging contractor.

Surviving are two aunts, Mrs. Ethel Gardiner, Joliet, and Miss Florence Fauls, of Chicago, two uncles, James Fauls, Ft. Lauderdale, Florida, and Norbert Fauls, Chicago. He was preceded in death by his wife, Isabel Pregenger, Feb. 19, 1954.

Funeral services were held at 10 a. m. Tuesday at the Strang Funeral home and at 10:30 at St. Peter's church. Interment was in Mt. Carmel cemetery.

A Fourth of July parade through Racine, Wis., attracted a large crowd of horses and riders, including two Antioch riders, Joanne Paddock on her sorrel quarter horse mare, Red Wing, and Mrs. V. Geiske, who rode a saddlebred gelding.

On her same sorrel mare, Joanne placed first in the Western Pleasure Horse class at the Trail Ranch Horse Show on July 8.

A petition was presented to the Lake County Board of Supervisors Tuesday bearing 7,800 signatures, remanding that a referendum be held Nov. 6 on the question of forming a Lake County Health department.

The petition was presented by F. W. Langerholm of Long Lake, chairman of the Lake County Public Health Council.

The supervisors turned the massive pile of petitions over to their election committee and Asst. States Atty. Bruno Stenczak for study as to validity. The petitioners said the signatures represented a number equal to five per cent of the registered voters in each township of the county.

Supervisor Emmet Moroney of Deerfield said that in all probability the signatures were valid and the board has no alternative than to call a referendum.

### Hold Skating Party

The young people of the Lake Villa Methodist church held a skating party last Sunday afternoon at Rollin Wheels Roller Rink, at Twin Lakes. The group was accompanied by Rev. Gerald B. Robinson.

### Sgt. Edwards Arrives Home

Sgt. Maurice Edwards, son of Mr. and Mrs. Warren Edwards of Indian Point, is expected to arrive home from Germany tomorrow, after being gone four years. He will be in Antioch for a 30-day leave.

Mrs. Wanda Sweich, sister of Mrs. Ceil D'Ambrose, proprietor of B-Z-B. tavern, Channel lake, left June 28 by plane for a six week vacation trip to the Hawaiian Islands.

Mrs. Einar Petersen and Mrs. Edward Jacobs were hostesses at a twelve o'clock luncheon and bridge party at the Petersen home, Wednesday.

### Card of Thanks

Mrs. L. J. Blakeman and family extend their heartfelt thanks to the many friends and neighbors who

have offered love and assistance in beautiful floral offerings, cards and letters of sympathy, for their great loss in the death of Dr. Lloyd J. Blakeman.

LEADS THE WAY

Your key to Blue Chip value

**Now-GMC gives you**

**a bonus of up to 3 gallons  
in every tankful!**

Talk about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every filling!

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this new gas-stretching ability to the super-efficiency of a GMC 180 hp V8 engine—to the moneysaving advantages of Hydra-Matic Drive\*

—and an important fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of—or below—the cheapest stripped-model truck on the market.

Of course, you'd always have preferred a Blue Chip GMC to any other truck. But now—with cost so strongly in its favor—there's no need to step down. Come in and tell us what colors you want on your GMC.

## SCIENCE IN YOUR LIFE

### The Scratching Season

Summer is here, the vacation season is beginning — and poison ivy is growing in woods and back yards all over the country. So is poison oak and sumac.

Summer is the scratching season for all too many vacationers, particularly city people who have never been taught — or haven't bothered to learn — the characteristic signs of the nuisance plants. It pays to be informed, however, for poison ivy irritation can be dangerous as well as unpleasant. It is particularly unpleasant when it covers a large area of the body, and when over-enthusiastic scratching transforms the irritation into an outright infection.

Luckily, the affliction is easier to treat than it used to be. If you are so unfortunate as to blunder up against a poison ivy vine, your doctor may prescribe a soothing ointment called Terra-Cortril. It contains the hormone hydrocortisone to reduce the inflammation, plus the antibiotic Terramycin to knock out any infection which may develop.

Nevertheless, knowing how to avoid the plants is an excellent idea. Poison ivy, oak or sumac are closely related and you need not learn to tell them apart. Generally, it is wise to steer clear of any low-lying shrub or vine that has leaves in groups of three, especially if the leaves are dark green in color and have a glossy appearance.

If you are clearing a camping area and find plants which you suspect belong to this family, do not under any circumstances burn them. The irritating oil is volatile, and rises with the smoke; breathing it can have grave consequences. Poison ivy should be buried, not burned.

## NEW MAGIC FOR TV

**PRESS A BUTTON AND PRESTO**—with Space Commander tuning this new, little Space-Commander activates and controls TV from anywhere in the room, or even an adjoining room.

All with no wires or cord connections to the set; without batteries, transistors, light beams, radio waves or electricity.

You do not see, hear, or feel the command. But the TV receiver across the room responds instantly, turning on and off, changing stations, silencing annoying commercials, restoring sound. Zenith's Space-Commander weighs 8 ounces—so simple a child can operate it.

## Driver's License

Springfield, Ill., July 2—Secretary of State Charles F. Carpenter today reminded parents that any application for a driving instruction permit or driver's license by a minor under the age of 18 years must be accompanied by the written consent of the father of the applicant.

Secretary Carpenter reported that recently his office has received a number of applications by minors accompanied by the written consent of their mother, which is not in

## YESTERDAYS

**July 1939**  
**Robbers Enter Antioch**  
**Dairy Company Offices**  
Sheriff's deputies today are examining clues that may lead to the identity of robbers who last night stole an adding machine and typewriter from the office of the Antioch Dairy company and Corona Avenue. Entry was gained by a window which was pried open. Manager Harry Hand notified the sheriff's office when the theft was discovered early today.

Twenty-five or thirty members of the Sunday school at St. Ignatius' church, accompanied by their pastor, the Rev. J. E. Charles, enjoyed an outing at The Country House, on the west side of Channel lake last Thursday.

scene in a speedboat. While her brother held the speedboat by, and helped her to lift the men into it, Jane located and brought to the boat one of the men and then the other. She also applied artificial respiration to one of the men, who had started to drown, and restored him to consciousness.

The accident happened when Louis Worsel, 44, and Edward Horanzy, 24, both of Chicago, rowed out into the lake and Horanzy, who was entertaining with an accordion,

stood up in the boat. The accor-

dian was lost. Ambitious plans are being made for the fifteenth American Legion festival to be sponsored by Antioch Post No. 748 on July 21-22 and 23. Walter Hills is general chairman of the festival committee.

Mr. and Mrs. Elmer Rentner left Wednesday on a few days' vacation trip to northern Wisconsin. They will return the latter part of the week.

Mr. and Mrs. H. B. Gaston at-

tended the silver wedding anniversary celebration held by Mr. and Mrs. Jack Neuman of Aurora, Sunday. Mr. Neuman, who is a representative of the J. W. Butler Paper Company of Chicago, has been call-

ing on the Antioch News and other papers in Lake county for over twenty years. Mrs. Effie Nelson, Mrs. Hugh Huffendick and Mrs. William Techert visited Mrs. Elva Davis of Crystal Lake, Friday.

With a little of this

and a lot of determination...

you'll get the things you want! Aesop said it with his hare-and-tortoise fable. We say it again... The way to get somewhere is to determine where you want to go and KEEP GOING.

Just save whatever you can this week—next week—every week—and you'll reach your goal before the "sprinters" get started. We welcome savings accounts of any size!

*It's only July—  
so why miss the fun?  
(It's a great time to buy a Buick!)*

IN ALL TRUTH—when would be a better time to buy your new Buick than right now?

When else could you drive home a better bargain—with your present car now worth more than it ever will be again—and while Buick prices are within easier reach of more people than ever before?

And when else will there be better weather—more hours in the day—more places to go—more sports in season?

So you get the most good, and the most car right now in a new Buick...

Because the new Buick you boss today is far and away the best Buick yet...

Because it's styled to the minute—rides like a dream—has all the boundless power of a big 322-cubic-inch V8 engine that revels in running...

And above all, because it has Variable Pitch Dynaflo\* to perform its pace-making magic with a smoothness matched nowhere else on wheels.

So why waste time?

Come see what wonderful sense it makes to buy in July—and what a whale of a deal we can make you right now.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## Tips on Traffic Safety

By  
CHARLES F. CARPENTIER  
Secretary of State

With summer here and fine driving conditions expected, the motorist must double his vigilance for the driver who has decided to cast aside one of the basic rules of the road—the motorist who insists upon mixing his driving with his drinking.

A driver who has been drinking is always a menace to the highways. Thousands of fatal accidents are caused every year by a drunken person behind the wheel of a vehicle. In addition, there are thousands of non-fatal accidents caused by this same type of driver.

Summer weather induces more motorists to take to the road—for pleasure rides, short trips, and vacations. There are some drivers bent on summer relaxation who will allow themselves to over-indulge and then take to the highways. One can easily imagine the dangers these drivers present to other motorists as well as to themselves.

Time after time after time motorists have been warned of the fatal possibilities of mixing alcohol and gasoline. However, even higher court fines and imprisonment have not cleared our highways of those maniacs who are intent upon drinking and driving—upon killing and maiming.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

# FORD goes first!

Thunderbird power  
opens a whole new world  
of driving pleasure...  
makes Ford the  
best-selling "8" of all!

Ahead of you the highway unwinds like a carelessly coiled rope. But firmly under you is a car designed to take roads like this in easy stride. Beneath that gleaming Ford hood, 225 eager horses await your orders. Nudge the gas pedal. Gently now... look! That truck that was ahead of us is now safely behind. See that flat "S" curve ahead? With Ford's low center of gravity and ball-joint front suspension, we'll follow its twisting turns in sure-footed safety. There, we're through it, and it was fun!

Beyond any doubt this '56 Ford will recapture for you the adventure of driving. Behind its giant Thunderbird engine driving is full of fun again!

Where a Ford V-8 is concerned, only driving is believing. And the keys to a Ford are waiting for you now at your Ford Dealer's. Get behind the wheel of this great road car. Put it through its paces on any highway or byway. When you return to your dealer's showroom we think you'll agree that—Ford, indeed, goes first.

Ford goes first... in performance

### LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger and appetite. No drugs, no diet, no exercise, absolutely harmless.

When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So, no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money-back guarantee by:
